CALL FOR ENTRIES

Bernal Heights Outdoor Cinema seeks films/videos in which local residents participated in their production or distribution for the seventh annual summer series of free screenings in our local parks and playgrounds. All genres accepted (music videos, animation, narrative, documentary, children's films, etc.). Works-in-progress and trailers are welcome, too. Due to outdoor screening venues, submitted work must be appropriate for general audiences.

There is no entry fee. All submission materials will be retained by Bernal Heights Outdoor Cinema unless submitter expressly requests their return and provides a self-addressed, stamped envelope.

Submission Period: February 1 — June 15, 2010

Screening Dates: First week of September, 2010

Entry Fee: Free

Suggested TRT: 30 minutes or less—we've learned that shorter films work better in our outdoor settings. However, there may be opportunities for screenings in smaller indoor venues where longer films would be appropriate.

Submission Packet must include:

- 1) DVD copy
- 2) Contact information including name, address, telephone/fax number and email address

Via email, please send:

- 1) One to two paragraph description of the entry; total running time; credit list
- 2) Short bio of contributor and head shot for use in printed materials and on the website (minimum 300dpi, jpeg)
- 3) Press kit and/or production stills (minimum 300dpi, jpegs)
